

ANCHORAGE CONDOMINIUM ASSOCIATION
Policy on Changes to Common and Limited Common Elements
May 30, 2008

The Anchorage Condominium Association Policy on Changes to Common and Limited Common Elements is established this 30th day of May 2008 in accordance with the Governing Documents and is as follows:

Changes to any Common or Limited Common Element at the complex are not permitted without prior written approval from the Anchorage Board of Directors.

Owners must request permission from the Anchorage Board of Directors for any changes to the exterior of the building or grounds and must receive approval from the Anchorage Board of Directors prior to completing any changes to the exterior of the building or grounds.

This Policy of the Anchorage Association is adopted this 30th day of May 2008 by the Anchorage Condominium Association Board of Directors.
