“The Ponds @ Blue River Landscape Committee shall consist of members appointed by the President of the Board of Directors. The committee shall be chaired by a member of the committee; preferably the chair will be a member of the Board of Directors.

The positions of Landscape Committee members are a volunteer position and are appointed on an annual basis.

The Landscape Committee’s primary responsibilities is to review existing landscape and planting guidelines adopted by the Board and to make recommendations on plan updates. Plus the committee shall recommend to the Board plans for landscaping projects and improvements.

The committee shall not have the authority to encumber or expend any funds of the association.”
